FROM: Erron Alvey, Purchasing Agent

SUBJECT: CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A CONTRACT RENEWAL WITH SHAW / YODER / ANTWIH, INC. FOR STATE LEGISLATIVE REPRESENTATIVE SERVICES FOR AN AMOUNT NOT TO EXCEED \$30,000

I. RECOMMENDED ACTION

That the Board of Directors authorize the General Manager to enter into a one-year contract extension with Shaw / Yoder / Antwih, Inc. for state legislative representative services for an amount not to exceed \$30,000.

II. SUMMARY OF ISSUES

- Santa Cruz METRO has utilized the services of a Legislative Advocacy Firm in Sacramento for many years. The Legislative Advocacy service has been invaluable in representing Santa Cruz METRO's interests in key meetings when Santa Cruz METRO personnel are not available to attend.
- Santa Cruz METRO has a contract with Shaw Yoder Antwih, Inc. for state legislative representative services.
- This contract was established on January 1, 2011 for a one-year period with four optional one-year extensions.
- The current contract approved by the Board of Directors will expire on December 31, 2012.
- Shaw / Yoder / Antwih, Inc. has requested no changes for the new contract period.
- Shaw / Yoder / Antwih, Inc. has performed its duties very well under this contract and therefore, a one-year contract extension with no changes is recommended.

III. DISCUSSION

Santa Cruz METRO has a contract with Shaw Yoder Antwih, Inc. for state legislative representative services that is due to expire on December 31, 2012. Per Les White, General Manager and Contract Administrator, over the past year, the quality of service provided by Shaw / Yoder / Antwih, Inc. has been excellent. Shaw Yoder Antwih, Inc. has reviewed the contract and requested no changes.

Staff recommends that Santa Cruz METRO exercise the option for a one-year contract extension with Shaw Yoder Antwih, Inc. for an amount not to exceed \$30,000 with General Manager Les White continuing to serve as the Contract Administrator. Staff further recommends that the Board of Directors authorize the General Manager to sign a one-year contract extension on behalf of Santa Cruz METRO.

IV. FINANCIAL CONSIDERATIONS

This Contract Amendment is for an additional \$30,000. The new Contract total not to exceed will be \$90,000. Funds to support this contract are included in the Administration FY13 Legislative Services budget.

Re: Santa Cruz METRO Contract No. 11-08 for State
Legislative Representative Services

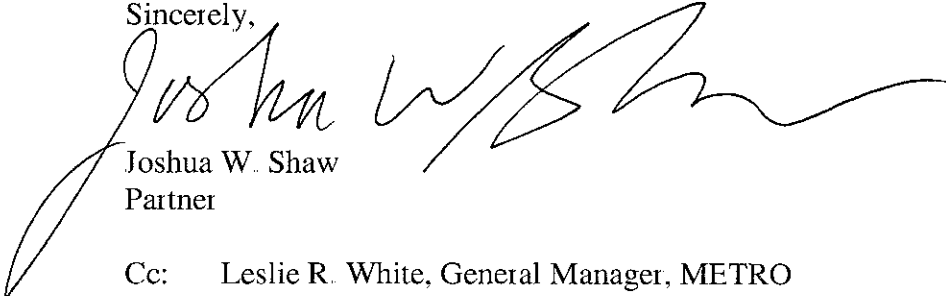

Dear Ms. Alvey:

I received your correspondence offering an amendment to the contract between METRO and my firm for State Legislative Representative Services. On behalf of Shaw / Yoder / Antwih, Inc , we would be pleased to enter into a one-year extension of the original contract, for the period from January 1, 2013 to December 31, 2013. We are satisfied with all current terms and conditions, and propose no changes.

For your records, please note the change in our office Suite number.

Thank you for this opportunity to continue our service to METRO.

Sincerely,

Joshua W. Shaw

SANTA CRUZ METROPOLITAN TRANSIT DISTRICT SECOND AMENDMENT TO CONTRACT NO. 11-08 FOR STATE LEGISLATIVE REPRESENTATIVE SERVICES

This Second Amendment to Contract No. 11-08 for State Legislative Representative Services is made effective January 1, 2013 between the Santa Cruz Metropolitan Transit District, a political subdivision of the State of California ("Santa Cruz METRO"), and Shaw/Yoder/Antwih, Inc. ("Contractor").

I. RECITALS

- 1.1 Santa Cruz METRO and Contractor entered into a Contract for State Legislative Representative Services ("Contract") on January 1, 2011.
- 1.2 The Contract allows for the extension upon mutual written consent.

Therefore, Santa Cruz METRO and Contractor amend the Contract as follows:

II. TERM

- 2.1 Article 4.01 is amended to include the following language:

This Contract shall continue through December 31, 2013. This Contract may be mutually extended by agreement of both parties.

III. COMPENSATION

- 3.1 Article 5.01 is amended to include the following language:

Santa Cruz METRO shall compensate Contractor in an amount not to exceed \$30,000 under this amendment for a new contract total of \$90,000.

IV. REMAINING TERMS AND CONDITIONS

- 4.1 All other provisions of the Contract that are not affected by this amendment shall remain unchanged and in full force and effect.

V. AUTHORITY

- 5.1 Article 7 is amended to include the following language

Each party has full power to enter into and perform this Second Amendment to the Contract and the person signing this Second Amendment on behalf of each has been properly authorized and empowered to enter into it. Each party further acknowledges that it has read this Second Amendment to the Contract, understands it, and agrees to be bound by it.

SUBJECT: CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A CONTRACT RENEWAL WITH DELTA DENTAL THROUGH THE CALIFORNIA STATE ASSOCIATION OF COUNTIES EXCESS INSURANCE AUTHORITY (CSAC-EIA) FOR EMPLOYEE DENTAL INSURANCE

I. RECOMMENDED ACTION

Authorize the General Manager to execute a contract renewal for a one-year contract extension with Delta Dental through the California State Association Of Counties Excess Insurance Authority for Employee Dental Insurance.

II. SUMMARY OF ISSUES

- Santa Cruz METRO provides dental insurance coverage for its employees, retirees and eligible dependants.
- Santa Cruz METRO has a contract with Delta Dental through CSAC-EIA for employee dental insurance. Alliant Insurance Services is the insurance broker for this contract.
- This contract was established on January 1, 2011 for a one-year period with four optional one-year extensions.
- The current contract approved by the Board of Directors will expire on December 31, 2012.
- Delta Dental through the broker Alliant Insurance Services has determined that a 0.8% decrease of the current rate is appropriate for the new contract period.
- UTU and SEIU have expressed satisfaction with the dental insurance provided under this contract and therefore, a one-year contract extension with a rate decrease is recommended.

III. DISCUSSION

Santa Cruz METRO has a contract with Delta Dental through CSAC-EIA for employee dental insurance that is due to expire on December 31, 2012. UTU and SEIU have reviewed the proposed renewal and have expressed satisfaction with the dental insurance provided to employees, retirees (less than 65 years old) and eligible dependants under this contract. Delta

Dental through CSAC-EIA has reviewed the contract and has determined that a 0.8% decrease of the current rate is appropriate for the new contract period.

Staff recommends that Santa Cruz METRO exercise the option for a one-year contract extension with Delta Dental through CSAC-EIA. Staff further recommends that the Board of Directors authorize the General Manager to sign a one-year contract extension on behalf of Santa Cruz METRO. Robyn D. Slater, Human Resources Manager, will serve as the Contract Administrator and will ensure contract compliance.

IV. FINANCIAL CONSIDERATIONS

The three-tier monthly rates offered for the new contract period by Delta Dental are as follows: Employee only -\$58.17; Employee plus one dependent - \$104.00; Employee plus two or more dependents - \$179.24.

Staff recommends that the Board authorize the General Manager to execute a one-year contract extension with Delta Dental for employee dental insurance coverage. The cost for this contract is estimated at \$547,894.

Funds to support this contract are included in the Human Resources FY13 Operating budget.

SANTA CRUZ METROPOLITAN TRANSIT DISTRICT SECOND AMENDMENT TO CONTRACT NO. 11-05 FOR EMPLOYEE DENTAL INSURANCE

This Second Amendment to Contract No. 11-05 for Employee Dental Insurance is made effective January 1, 2013 between the Santa Cruz Metropolitan Transit District, a political subdivision of the State of California (“Santa Cruz METRO”), and Alliant Insurance Services, Inc., representing Delta Dental (“Contractor”).

I. RECITALS

- 1.1 Santa Cruz METRO and Contractor entered into a Contract for Employee Dental Insurance (“Contract”) on January 1, 2011.
- 1.2 The Contract allows for the extension upon mutual written consent.

Therefore, Santa Cruz METRO and Contractor amend the Contract as follows:

II. TERM

- 2.1 Article 4.01 is amended to include the following language:

This contract shall continue through December 31, 2013. This Contract may be mutually extended by agreement of both parties.

III. COMPENSATION

- 3.1 Article 5.01 is amended to include the following language:

Effective January 1, 2013, Santa Cruz METRO shall compensate Contractor at the renewal rates as identified in Attachment A to this amendment.

IV. REMAINING TERMS AND CONDITIONS

- 4.1 All other provisions of the Contract that are not affected by this amendment shall remain unchanged and in full force and effect.

V. AUTHORITY

- 5.1 Each party has full power to enter into and perform this Second Amendment to the Contract and the person signing this Second Amendment on behalf of each has been properly authorized and empowered to enter into it. SUBJECT: CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A CONTRACT RENEWAL WITH THE HARTFORD FOR EMPLOYEE LIFE AND ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

I. RECOMMENDED ACTION

Authorize the General Manager to execute a contract renewal for a one-year contract extension with The Hartford for Employee Life and Accidental Death and Dismemberment Insurance.

II. SUMMARY OF ISSUES

- Santa Cruz METRO provides Employee Life and Accidental Death and Dismemberment Insurance coverage for its employees.
- Santa Cruz METRO has a contract with The Hartford to provide Employee Life and Accidental Death and Dismemberment Insurance. Alliant Insurance Services is the insurance broker for this contract.
- This contract was established on January 1, 2011 for a two-year period with three (3) optional one-year extensions.
- The current contract approved by the Board of Directors will expire on December 31, 2012.
- The Hartford has requested a rate increase of 7.1% for the new contract period.
- UTU and SEIU have reviewed the renewal proposal and have expressed satisfaction with the insurance provided under this contract. Therefore, a one-year contract extension with a rate increase of 7.1% is recommended.

III. DISCUSSION

Santa Cruz METRO has a contract with The Hartford for Employee Life and Accidental Death and Dismemberment Insurance that is due to expire on December 31, 2012. UTU and SEIU have reviewed the renewal proposal and have expressed satisfaction with the insurance provided under this contract. The broker, Alliant Insurance, negotiated the scheduled rate increase of 13.3% down to 7.1%. The annual premium is based on this rate, and is applied to each increment of \$1,000 of coverage. The estimated annual premium for the new contract period is \$45,752.

Staff recommends that Santa Cruz METRO exercise the option for a one-year contract extension with The Hartford. Staff further recommends that the Board of Directors authorize the General Manager to sign a one-year contract extension on behalf of Santa Cruz METRO. Robyn Slater, Human Resources Manager, will serve as the Contract Administrator and will ensure contract compliance.

SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

DATE: October 12, 2012
TO: Board of Directors
FROM: Ciro F. Aguirre, Manager of Operations
SUBJECT: CONSIDERATION TO RELOCATE AND REACTIVATE BUS STOPS AT DELAWARE AND COLUMBIA

I. RECOMMENDED ACTION

That the Board of Director approve relocation of the outbound bus stop and reactivation of both outbound and inbound bus stops at Delaware and Columbia.

II. SUMMARY OF ISSUES

- On April 20, 2012 complaint received from resident at 620 Columbia referencing excessive volume on bus call stop announcement at outbound Delaware and Columbia bus stop.
- Deactivation of stops on a trial basis resulted in 123 requests to reactivate the stops and opposed removal of the stops.
- Issue presented to METRO Board of Directors on August 10, 2012. Staff requested to determine if stop could be moved.
- Proposal was made to property owner at 321 National Street, Santa Cruz, where current bus stop is located, to have the stop moved away from current location approximately sixty feet towards National Street.
- Property owner accepted to have the stop moved and agreed to having a cement pad installed that will make the stop ADA compliant.
- Staff requests that the Board of Directors approve relocation of stop and to have both stops reactivated.

III. DISCUSSION

On April 20, 2012 METRO received a complaint from the resident at 620 Columbia (Refer to Attachment A). The complainant reported that the bus call stop announcement required by Americans with Disabilities Act (ADA), performed at the outbound bus stop at Delaware and Columbia, was loud and disrupted her sleep. The bus stop, while not on the complainant's property is approximately twenty feet from the corner bedroom on neighboring property. Since remedial options provided by the complainant are not feasible, at the August 10, 2012 METRO Board of Directors meeting, staff was instructed to determine if bus stop could be moved.

As previously presented, the Delaware and Columbia stop was moved from a non-ADA compliant location to its current location in 2005. The move was performed because the Property Owner at 321 National Street was receptive to having an encroachment onto the side yard of the property performed in order for a cement landing to be constructed allowing the stop to become ADA compliant.

Discussions with the current property owner of having the stop moved approximately sixty (60) feet towards National Street was agreed to by the property owner along with allowing METRO to install a cement landing (Refer to Attachment B). Dimensions of the relocated stop will be the same as the current stop

Moving the current stop to the proposed location will distance the stop approximately eighty (80) feet from the corner of the complainants dwelling, allow for the new stop to be located in generally the same service area, does not significantly increase distance between stops, will be ADA compliant, and will not interfere with traffic flow.

Email notice was provided to the complainant on October 03, 2012 notifying how METRO was attempting to address the issue with a picture of where the bus would be stopping relative to the new bus stop location, and of the upcoming presentation to METRO's Board of Directors for approval (Refer to Attachment C & D).

Staff would like for the METRO Board of Directors to approve relocation of the Columbia and Delaware outbound stop as resolution to the complainant's ongoing issue, and for both outbound and inbound stops at Delaware and Columbia to be reactivated once relocation is completed.

III. FINANCIAL CONSIDERATIONS

1. Bus Stop Relocation Material and Labor - \$2,500

Ms. Bernstein,

We will re evaluate the stop location on Monday. If it is possible to move it to the corner or the far-side of Delaware and Columbia we will do so.

Mr. White et al:

This documents that the call from the 20 D bus woke me at 9:20 very loudly. Why is the 20 D always so much louder than the 20?

Sleep is a basic human need. These interruptions of my sleep are killing me.

Why can't the bus stop be moved to the corner? (still waiting for an answer)

According the ADA, access does not dismiss the need for health and safety protection. I am in favor of everyone having access to public transportation, but the external call is **not** needed every time the door opens.

Hi Ciro,

I finally was able to make it over to Santa Cruz and look at proposed place where you want to move the bus stop. If you put a new cement slab on the property next to where you put the chalk marks, it's fine. I don't want a bench or a little shed, but a cement slab plus the bus stop sign is fine. You can also leave the other slab in place in case you ever want to move it back.

Let me know if there are any questions still remaining.

Ms. Bernstein,

As previously agreed to on April 24, 2012, a temporary moratorium on the use of the bus stops at Columbia and Delaware was established in order to obtain Public input regarding deactivation of these stops.

METRO has received one hundred twenty-three (123) requests to have these stops reactivated. As expressed in previous email correspondence, the current, at issue, northbound stop, Delaware and Columbia meets METRO and Federal criteria making it a legal and viable bus stop; relocating the stop by law is not required.

However, in an effort to address your concerns, METRO has been in contact with the property owner where the current northbound stop is located, 321 National Street. The owner has agreed to have the bus stop relocated on the property approximately sixty (60) feet away from the current location toward National Street. METRO will be absorbing the cost of this move, if approved.

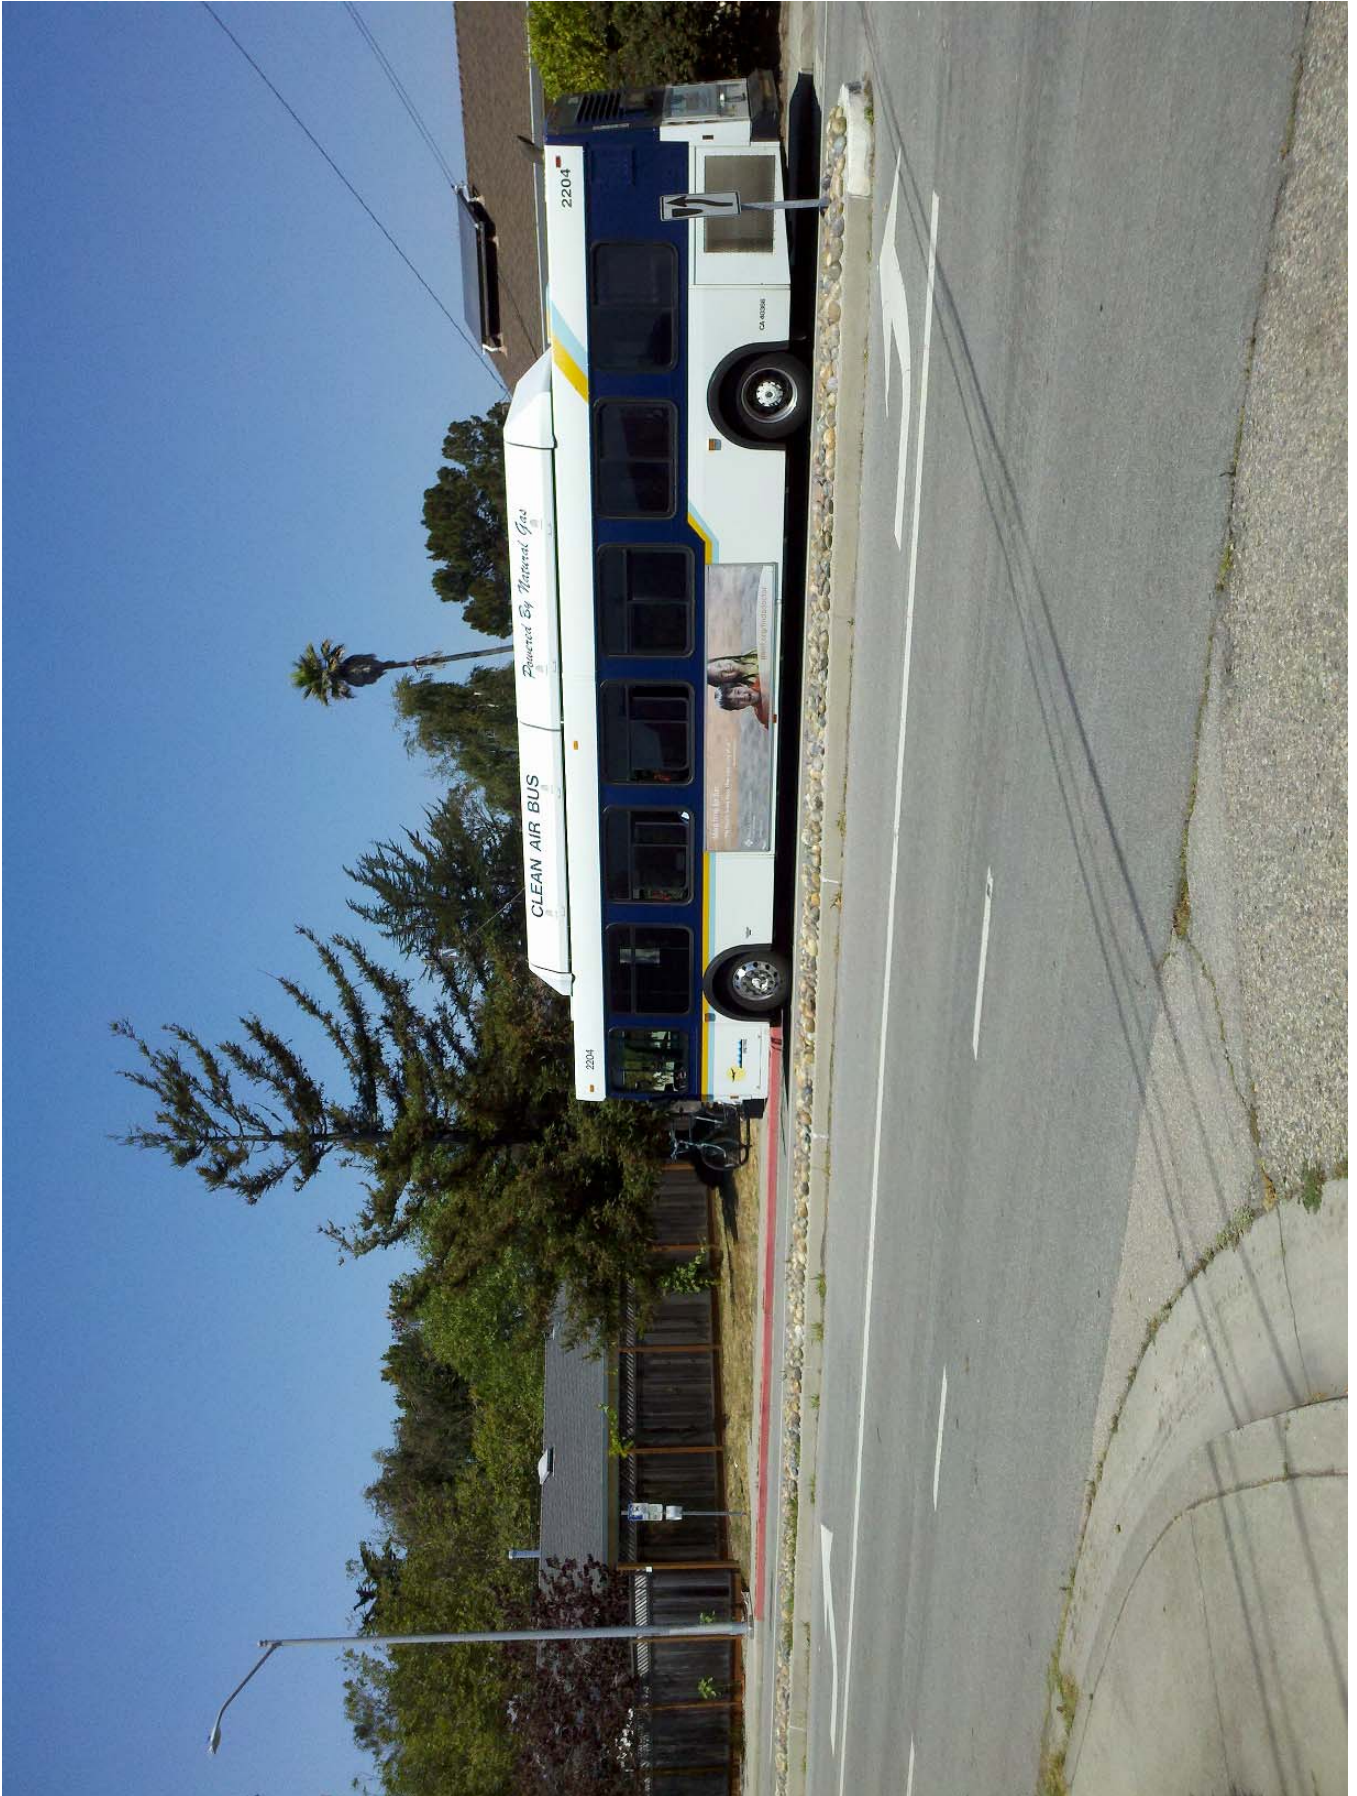

Based on approximate calculations, this action will place the relocated bus stop approximately eighty (80) feet from the corner of your dwelling. A picture reflecting the current bus stop location and where the bus will be stopping after the stop is relocated will provide you with a visual reference.

On October 12, 2012 I will be presenting a Staff Report to the METRO Board of Directors outlining details of this proposal and requesting approval to have the stop relocated, and to have both southbound and northbound stops reactivated.

If you have any concerns, please email them to me, or if you wish to attend the meeting it will be held at METRO's Administration Building at 110 Vernon Street, Santa Cruz, CA at 0830 hours in the Santa Cruz Conference Room. The phone number for the Administration Building is 831-426-6080

SUBJECT: CONSIDERATION OF AWARD OF CONTRACT WITH FEENEY WIRELESS, LLC FOR ON-BOARD BUS WI-FI SERVICE AND EQUIPMENT IN AN AMOUNT NOT TO EXCEED \$100,000

I. RECOMMENDED ACTION

Authorize the General Manager to execute a contract with Feeney Wireless, LLC for On-Board Bus Wi-Fi Service and Equipment in an amount not to exceed \$100,000 and designate Ciro Aguirre, Operations Manager, as Contract Administrator.

II. SUMMARY OF ISSUES

- Santa Cruz METRO has a successful wireless internet program currently on-board seventeen (17) of our Highway 17 fleet. The current provider has reported that our usage continues to be some of the highest usage they have seen around the country in similar programs.
- Due to the popularity and high level of demand for wireless internet, Santa Cruz METRO would like to increase the number of buses able to provide this service. This will also be an opportunity to upgrade the equipment and service for faster speeds and better coverage.
- In order to ensure fair and open competition, and equitable treatment of all potential sources, a formal request for proposals was conducted to solicit proposals from qualified firms.
- One firm submitted a proposal for Santa Cruz METRO's review.
- A three-member evaluation committee comprised of Santa Cruz METRO staff reviewed and evaluated the proposals and is recommending a contract award to Feeney Wireless, LLC.

III. DISCUSSION

Santa Cruz METRO has a successful wireless internet program currently on-board seventeen (17) of our Highway 17 fleet. Eurotech, the current provider, has reported that our usage continues to be some of the highest usage they have seen around the country in similar transit programs.

Due to the popularity and high level of demand for wireless internet on this mainly commuter route, Santa Cruz METRO would like to increase the number of buses able to provide this service. This will also be an opportunity to upgrade the equipment and service for faster speeds and better coverage.

This type of service and equipment is not unique and is commercially available. In order to ensure fair and open competition, and equitable treatment of all potential sources, on July 3, 2012, Santa Cruz METRO issued Request for Proposals (RFP) No. 12-31. The RFP was mailed to fifteen (15) firms, was legally advertised, and a notice was posted on Santa Cruz METRO's web site. On August 7, 2012, proposals were received and opened from one (1) firm – Feeney Wireless, LLC.

A sole bid analysis was required due to only one proposal being received. That analysis determined that there was a limited pool of firms that could provide both the equipment and the required installation, integration and maintenance services. They were typically providers of one or the other. **The current contract holder, Eurotech, failed to submit a bid and has still not responded to inquires as to why.** Santa Cruz METRO's plans and specifications were determined to be non-exclusionary.

A three-member evaluation committee comprised of Ciro Aguirre, Operations Manager, Isaac Holly, Assistant IT Manager, and Bruce Rhodes, Fleet Supervisor, have reviewed and evaluated the proposals.

The evaluation committee used the following criteria as contained in the Request for Proposals:

Evaluation Criteria	Points Possible
1. Responsiveness of Proposal to Scope of Work and Specifications	25
2. Experience of Firm (includes past performance, if applicable)	20
3. References	20
4. Price Proposal	30
5. Service Coverage and Quality	10
6. Support Program	10
5. Disadvantaged Business Enterprise Participation	5
Total Points Possible	120

The evaluation committee is recommending that a contract be established with Feeney Wireless for On-board Bus Wi-Fi Service and Equipment for an amount not to exceed \$100,000 with Ciro Aguirre, Operations Manager, to serve as the Contract Administrator. Contractor will provide all services meeting all Santa Cruz METRO specifications and requirements of the contract, and the Contract Administrator will ensure contract compliance.

IV. FINANCIAL CONSIDERATIONS

Funds to support the contract are included in the Operations FY13 capital budget.

**SUBJECT: CONSIDERATION OF AUTHORIZING AND FUNDING TWO (2)
ADDITIONAL FACILITY MAINTENANCE WORKER II POSITIONS**

I. RECOMMENDED ACTION

That the Board of Directors authorizes the addition of two (2) Facility Maintenance Worker II positions and approve funding of the position.

II. SUMMARY OF ISSUES

- The Facilities Maintenance Department maintains 1011 bus stops throughout Santa Cruz County. Of these 591 have concrete pads and 218 have shelters.
- Facilities Maintenance Staff maintains all METRO's bus stops and 11 METRO building facilities in Santa Cruz, Scotts Valley, Capitola, and Watsonville.
- Increased bus ridership and patronage has placed a significant demand at all facilities increasing the need to maintain facilities on a more consistent basis to meet METRO standards of cleanliness.
- There is a need to dedicate pressure washing to the bus stops on a more consistent periodic basis due to their high usage.
- With a staff of five (5) Facility Maintenance Worker II's, the Facilities Maintenance staff is unable to perform the additional work of pressure washing stops and additional staff, if approved would be assigned to these tasks to provide a better level of consistent cleaning.
- METRO staff recommends that the Board of Directors authorize the addition of two (2) Facility Maintenance Worker II's and funding for the positions.

III. DISCUSSION

The Facilities Maintenance Staff presently maintains 11 facilities (Administrative building, Operations building, Watsonville Transit Center, Pacific Station, Scotts Valley Transit Center, ParaCruz building, Park and Ride, Fleet Maintenance building, Fueling Station, Dubois parking lot and the Capitola Mall) with a staff of five (5) Facility Maintenance Worker IIs and a Facility Maintenance Supervisor in addition to maintaining the nine hundred and ninety nine bus stops.

With the present staff level, the Facilities Maintenance staff is unable to perform the additional work load of pressure washing the bus stops.

At the present time, Santa Cruz METRO currently washes down bus stops with a mop and bucket. In the past, Santa Cruz METRO pressure washed the bus stops. Approximately five (5) years ago Santa Cruz METRO discontinued the practice because of the requirement of the City of Santa Cruz that all water used in cleaning be collected and prevented from entering the storm drains. With the introduction of reliable methods of water collection, it is now possible to collect the water used in pressure washing bus stops, recycle the water and use the same water for pressure washing the next bus stop.

Santa Cruz METRO's Facility Maintenance Department has in its 2012 Capital Budget \$25,000 designated for a replacement pressure washer for the Watsonville Transit Center. If the pressure washer from Pacific Station is transferred to Watsonville and the new pressure washer is stored at the Facilities Maintenance area in Santa Cruz, the new pressure washer would be available during the week for the Facilities Maintenance Department to use during the week because Pacific Station is only pressure washed on weekends.

Initial estimates of the amount of time it would take two (2) Facility Worker IIs to pressure wash a bus stop is approximately one (1) hour and that the workers would be able to perform thirty (30) pressure washings per week. There are five hundred and ninety one (591) bus stops with concrete pads that can be pressure washed which would mean that each of the bus stops with concrete pads would be washed at least twice a year and bus stops with a higher volume of use would be pressure washed more often than twice a year.

The new Facility Worker IIs will perform the following tasks at each bus stop:

- Sweep entire stop including gutter
- Empty the trash receptacle (if present)
- Set up pressure washer and vacuum system to retrieve excess water
- Pressure wash entire stop including:
 - ❖ Shelter (if present)
 - ❖ Bench (if present)
 - ❖ Trash Receptacle (if present)
 - ❖ All Concrete (minimum 9' x 12' area)
 - ❖ Signs and post
- Trim any and all vegetation associated with the bus stop
- Repaint bench
- Lubricate trash receptacle lock
- Replace bus stop signs as needed
- Remove any graffiti associated with the bus stop

- Return steam cleaner to readiness for next location
- Remove cones / barricades
- Reopen the stop for pedestrians and customers

In addition, the new Facility Worker IIs will clean the pressure washer and water reclamation system, refill fresh water tank so that it is ready for the next day.

IV. FINANCIAL CONSIDERATIONS

Funds to support the hiring of the two additional Facility Worker II are not included in the FY12 Operating Budget. The cost with benefits to METRO for one Facility Worker II is \$60,948.16 and for two Facility Worker IIs would be \$121,896.32. Funding to Facilities Operating Budget would need to be increased for the fiscal year 2012 and 2013.

SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

DATE: October 12, 2012

TO: Board of Directors

FROM: Margaret Gallagher, District Counsel

SUBJECT: CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A LICENSE AND INDEMNITY AGREEMENT WITH THE CITY OF SANTA CRUZ FOR THE BUS STOP LOCATED AT THE CORNER OF DELAWARE AVENUE AND LIBERTY STREET

I. RECOMMENDED ACTION

Authorize the General Manager to Execute a License and Indemnity Agreement with the City of Santa Cruz for the bus stop located at the corner of Delaware Avenue and Liberty Street.

II. SUMMARY OF ISSUES

- On June 22, 2012 Santa Cruz METRO's Board of Directors reviewed a letter received from Martin Bernal, City Manager, City of Santa Cruz ("City") dated June 18, 2012 that requested that the bus bench located at the outbound stop at Delaware and Liberty be removed.
- The City wanted the bus bench removed because it was in the process of disposing of a remnant parcel at the corner of Liberty and Delaware and the sale of the property was contingent upon removal of the bus bench.
- On July 24, 2012, the City informed Santa Cruz METRO staff that the buyers had agreed to accept the parcel at a reduced price with the removal of a 4 foot by 14 foot area of land from it which would allow the bus stop with the bench to remain intact.
- The Santa Cruz City Council approved entering into a License and Indemnity Agreement with Santa Cruz METRO for property on Delaware Avenue to be used as a bus stop. In order to facilitate this Agreement, Santa Cruz METRO is making a one-time payment to the City in the amount of \$1,281.00.
- A draft of the proposed License and Indemnity Agreement is set forth in its entirety as Attachment A. The Agreement grants permission to Santa Cruz METRO to use a specific area of the property as a bus stop. Santa Cruz METRO is required to maintain the bus stop in a clean and safe manner and to indemnify and defend the City for any problems arising out of Santa Cruz' use of the property.

III. DISCUSSION

On June 18, 2012 a letter was received by Santa Cruz METRO from Martin Bernal, City Manager, City of Santa Cruz (City). The letter explained that the City was in the process of disposing of a remnant parcel at the corner of Liberty Street and Delaware Avenue. The sale was

contingent on the bus bench located on the Delaware side of the property to be removed. Based on the conditions of the sale, the City requested that the bus bench be removed.

After negotiations and communications with the City, Santa Cruz METRO received notice from Julie Hendee, Redevelopment Manager, of a compromise proposal, indicating that the buyers would agree to the removal of a 4 foot by 14 foot area from the purchase and sale of the parcel. In exchange, the purchase price would be reduced to reflect the decreased size of the property.

The City Council approved entering into a License and Indemnity Agreement with Santa Cruz METRO for the bus stop facility on Delaware Avenue. By agreeing to these conditions, the bus stop and cement landing would be left in place for continued use by Santa Cruz METRO at a one-time cost of \$1,281.00.

IV. FINANCIAL CONSIDERATIONS

Santa Cruz METRO will be making a one-time payment to the City of Santa Cruz in the amount of \$1,281.00.

LICENSE AGREEMENT BETWEEN THE CITY OF SANTA CRUZ AND SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

THIS LICENSE AGREEMENT is made and entered into this ____ day of _____, 2012 by and between the City of Santa Cruz, hereinafter called "City" and Santa Cruz Metropolitan Transit District, whose address is 110 Vernon Street, Santa Cruz, California 95060, hereinafter called "Licensee."

In consideration of the agreements, covenants and conditions herein contained, and for other good and valuable consideration, the City and the Licensee agree as follows:

1. The City is the owner of certain real property comprised of fifty six (56) square feet abutting Delaware Avenue, situated in the City of Santa Cruz, California (hereinafter referred to as "the License Property"), and more particularly described in Exhibit A, which is attached to this Agreement and hereby incorporated by reference.
2. In consideration of a one-time payment of \$1,281.00, the City grants to Licensee an exclusive license (hereafter referred to as "the License") to operate a bus stop facility on the License Property. Licensee may not use the License Property for any other purpose or business without obtaining City's prior written consent. Licensee shall maintain the bus stop facility in a safe and clean manner. Licensee further agrees to remove all graffiti on the bus stop facility within forty-eight (48) hours of appearance of the graffiti or such other time as may be required by an agreement between the Licensee and the City.
3. This License is personal to the Licensee and shall not be assigned. Any attempt to assign the License shall automatically terminate the License. No legal title or leasehold interest in the License Property is created or vested in Licensee by the grant of this License.
4. The City may revoke and terminate this License only if Licensee fails to maintain the bus stop facility in a clean and safe manner or otherwise fails to comply with the terms of this Agreement. If the City determines that the bus stop facility is not being maintained in a clean and safe manner, or that Licensee has otherwise failed to comply with the terms of this Agreement, a written revocation notice shall be delivered to Licensee at least thirty (30) calendar days prior to the termination date specified in the notice. If, within forty-eight (48) hours of its receipt of said notice, Licensee remedies the violation of this Agreement which caused the City to issue the notice, the City shall rescind its revocation notice. After receipt of a revocation notice from the City, and absent Licensee's remedy of the violation within forty-eight (48) hours as aforesaid, Licensee on or before the effective date of License termination specified in the notice, shall remove all of Licensee's personal property from the License Property and shall surrender possession of the License Property to Licensor in good order and repair to the satisfaction of Licensor, normal wear and tear excepted.
5. Indemnification and Insurance.
 - a. Indemnification. Licensee, as a material part of the consideration for this License, hereby expressly waives and releases all claims against the City of Santa Cruz, Licensor and their respective officers, employees, representatives and agents, for any injury or damage to any person or property on or about the License Property arising out of Licensee's sole use of the License Property. Licensee agrees to indemnify,

release, defend and hold harmless the City of Santa Cruz, Licensor and their respective officers, employees, representatives and agents from any loss, claim, cost, expense or liability for any injury or damage to person or property, occurring in, on or about the License Property, arising out of Licensee's sole use of the License Property.

- b. Liability and Personal Property Insurance. During the term of this License, Licensee, at its sole cost, shall keep in full force and effect a policy of general liability insurance in a minimum amount of \$1,000,000 per occurrence. The insurance certificate must have a policy number and current effective dates. Such insurance shall name the City of Santa Cruz, Licensor and their respective officers, agents, employees and representatives as additional insureds, and shall not be cancelable or subject to modification without at least thirty (30) days written notice to Licensor. The policy shall name Licensor as certificate holder. Licensee shall present a certificate of insurance or other acceptable written evidence of such insurance and shall, on an annual basis, provide acceptable evidence or renewal of coverage.
 - c. Responsibility for Personal Property: Licensee shall be solely responsible for any insured or uninsured loss or damage caused to Licensee's property and equipment and located in or upon the License Property, caused by Licensee's sole use of the property.
6. This Agreement constitutes the entire agreement between City and Licensee relating to the License. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Agreement are of no force and effect. Any amendment to this Agreement shall be of no force and effect unless it is in writing and signed by both City and Licensee.

SUBJECT: ACCEPT AND FILE REPORT FROM THE ANNUAL MEETING OF THE AMERICAN PUBLIC TRANSPORTATION ASSOCIATION THAT WAS ATTENDED BY LYNN ROBINSON, DANIEL DODGE, AND LES WHITE.

I. RECOMMENDED ACTION

That the Board of Directors accept and file the report of the Annual Meeting of the American Public Transportation Association.

II. SUMMARY OF ISSUES

- The American Public Transportation Association (APTA) held the Annual Meeting on September 29, 2012 through October 3, 2012 in Seattle, Washington.
- The APTA Annual Meeting was attended by Lynn Robinson, Daniel Dodge, and Les White.
- The General Sessions and the Technical Sessions addressed issues that are relevant to the operation of METRO.

III. DISCUSSION

On September 29 through October 3, 2012 the American Public Transportation Association held the Annual Meeting of the Association in Seattle, Washington. The APTA Annual Meeting included General Sessions, Technical Session and Committee Meetings.

The APTA Committee Meetings included the Board of Directors, the Legislative Committee, and the Small Operations Committee that we participated in. The focus of the discussion was the implementation of the MAP21 federal authorization bill and the prospects of achieving passage of a longer successor bill

Sessions were held for first time meeting attendees that addressed the operation of APTA and its various committees. Board Members were encouraged to actively participate in the APTA Governing Boards Conference that will be held in Austin, Texas in July 2013.

Many of the vendors to the transit industry had booths and information available for attendees. We had the opportunity to discuss and view the new “Qpod” securement system as well as view the proposed modification to the 1:6 wheelchair entry ramp that has been experiencing problems. Additionally, we had the opportunity to discuss our scheduling issues with representative from GIRO that produces the HASTUS software that METRO uses to schedule service.

The sessions hosted by the representatives of the Federal Transit Administration were “standing room only” and were very informative. Sessions addressing the development of partnerships, and the application of best practices were very instructive. A lot of time and attention at the meeting was devoted to the topic of sustainable communities. The session featuring Rehana Moosajee, who spearheaded the implementation of the first Bus Rapid Transit Line, the Rea Veya, was especially inspirational. The session directed at improving the dissemination of customer service information was very instructional.

One of the highlights of the meeting was the graduation ceremony for the 2012 Leadership APTA Class and the introduction of the 2013 Class. We had the opportunity to meet and discuss relevant topics with a number of the class members.

One of the benefits of attending and participating in the APTA Annual Meeting was the opportunity to establish networks with other transit systems that are facing problems and issues similar to METRO.

IV. FINANCIAL CONSIDERATIONS

Funds to support the attendance of the APTA Annual Meeting were contained in the FY12/13 METRO Operating Budget.
